MADEIRA

Reid's Palace, a Belmond Hotel, Madeira

We are proud  
to offer a safe haven  
for canine companions  
and their stylish  
globetrotting owners.

# Pet policy

*Reid's Palace recognizes that pets are considered part of our guests' family and we are delighted to provide some comforts of home while staying with us.*

For the safety and comfort of our guests, you are kindly requested to follow some simple rules during your stay with your pet:

- Please note it is important to respect hotel guests, therefore we kindly ask pet owners to keep their dog on a leash on the hotel grounds at all times;
- During the cleaning service and turn-down it is important that your pet remains by your side or that is not in the room. We are proud to have such dedicated pet lovers as a team, but we want your pet to feel safe;
- Dogs are not allowed in the lobby, restaurants, bars and Spa centre;
- Your pet can stay by your side in the pool area, if kept in a pet carrier or on a dog mat and shows signs of good behaviour;
- A service fee of 35.00€ per day will be charged during your stay. We will be delighted to provide a pet bed, a clean water bowl, as well as 1 exclusive pet meal per day, specially prepared by our Chef Luís Pestana;
- Size of the pet should be informed at time of booking.
