Caribbean Celebrations

Setting the scene for the event of a lifetime.

When it comes to sublime locations, our retreat in Anguilla will take your breath away. Say “I do” on the Great Lawn overlooking the turquoise crystal clear waters of the Caribbean. Sit down beneath colorful bougainvillea for an intimate honeymoon dinner or celebrate your birthday in style within the graceful arches of Pimms.

Cap Juluca, a Belmond hotel in Anguilla is an authentic escape that blends seamlessly with nature, local culture and inspires a sense of wellbeing. Set on Maundays Bay, voted the world’s best island beach by Condé Nast, Cap Juluca guarantees total privacy and an inspiring immersion in nature.

The multiple award-winning property, boasting four restaurants and bars and an 1,800 square foot events pavilion can be tailored to your tastes and whims with exceptional dining experiences.

For the ultimate indulgence, hire the whole hotel. Fill every room with your loved ones and leave the rest to our team. From the moment you involve us, we’ll be busy working behind the scenes to ensure your time spent in Anguilla is pure magic.

Celebrate romance on Maundays Bay

Of all the Caribbean travel destinations, our postcard-perfect position on Anguilla's southern coast is incomparable. Be it a grand or intimate celebration, Cap Juluca is a magnificent setting for weddings brimming with West Indian magic.

Say your vows beside the water and continue the festivities with a vibrant Anguillian barbecue on the beach, or make your dream event come true with an al fresco banquet with sumptuous cuisine by our infinity pool.

For an out-of-this world celebration, plan a romantic reception on our Great Lawn, captivated by the stunning views of the Caribbean Sea, spectacular decorations and enchanting entertainment.

For elegant weddings with an island twist, our experienced team can help create a day you'll cherish forever. From flowers to music, gourmet dining to group activities, we can coordinate every detail, license and culinary request to make your occasion a triumph.

Elopements, Proposals and Boutique Weddings

For intimate moments and smaller events that still ooze panache, Cap Juluca is sure to take your breath away.

Plan a moonlit proposal tucked away in front of our Events Pavilion, against the backdrop of shimmering waves. For romantic dinners you're spoiled for choice on Maundays Bay, from a table by the waves at Pimms to a toes-in-the-sand experience for two under the stars.

Steal away for an elopement wedding with sumptuous tailored packages suitable for just the two of you or a select group.

Or plan a boutique wedding on our pristine shores with your nearest and dearest. Stage a glamorous reception in one of our private pool villas just a stone's throw from the Caribbean sea.

Idyllic Honeymoons

If romance were a destination, it would look exactly like Cap Juluca.

Spend days stretched out on the sands or beside your own private pool, cocktails in hand. Be pampered with a couples massage, or be daring and conquer the waves with a choice of activities such as scuba diving, windsurfing and more. Sit down to a feast in one of our world-class restaurants, or arrange a private starlit dinner on the beach.

At Cap Juluca, memories to cherish are made one after another.

Take a Grand Tour honeymoon

You've loved our hotel, why not experience others in the Belmond portfolio? Just a stone's throw away from Cap Juluca is La Samanna, the sparkling gem of St Martin. Blending island glamour with a captivating cosmopolitan scene, this is the resort to see and be seen.

Or cross the Atlantic for a seven-day Grand Tour, choosing to stay at two or more of our European hotels. Combine a week in a vibrant city such as Venice with a relaxing break in Portofino or Madeira; feast on the charms of Sicily or escape to the mountains in Mallorca.

Milestone Birthdays & Occasions

"A fantasy feast beneath the stars is best shared with friends and family."

Mark your once-in-a-lifetime occasion in style, and let us add some fizz to your event. From a milestone birthday to a wedding anniversary, Cap Juluca ensures that you mark it in great style—whether planning something spectacular or simply a picturesque dinner for two.

We offer a choice of feasting options for all appetites and occasions. Savor the freshest local seafood at Pimms, with sprawling Maundays Bay in full view, or sample authentic Italian delicacies at Cip's by Cipriani as you bring your nearest and dearest together for a Caribbean banquet.

Catering to your every need

A key ingredient of weddings at Cap Juluca is the gastronomic cuisine inspired by our unique destination. We'll prepare everything your heart and taste buds desire, from a spectacular seven-course feast to simple but stunning canapés.

Discover regional gems such as grilled crayfish and lobster or savor a slice of Venetian glamour overlooking the Caribbean at Cip's by Cipriani, and raise a toast to your future with the finest Champagne.

Take over an entire hotel

Imagine walking into Cap Juluca as if it were your home. Knowing that in every guest room, every nook of the garden or elegant lounge you'll find a dear friend or family member.

Look forward to gathering together in total privacy to celebrate your union and the joyful journey to come.

This is the experience when you reserve our beachside sanctuary for your exclusive use: the ultimate way to turn your wedding into the most important day of your life.

Island Experiences

Enjoy the aquatic life with our choice of sporting activities and exciting excursions. From sailing lessons to kayaking through hidden coves and bays, there's no end of thrilling things to do in Anguilla.

Make Prickly Pear Cays, the uninhabited chain of islands just off the coast of Anguilla, your paradise for a day. Or book a round or two of golf at the stunning Cuisinart Golf Club, an 18-hole course designed by Greg Norman.

Give Back

Cap Juluca is deeply respectful of our community and our surroundings. We aim to tread lightly and indeed make a positive contribution to our unique home of Anguilla. We are aware of our responsibility towards natural resources, the environment and the people that surround us.

You too can make a positive impact by making a contribution to the Anguillian charitable organization of your choice, such as Nature Explorers Anguilla, the Anguilla Tennis Academy or Anguilla Red Cross. Or why not plant a mangrove tree? Restoring local species will have a long-lasting effect on our local ecosystems.
