An aerial photograph of the Hotel das Cataratas, a large resort complex with multiple buildings featuring white walls and terracotta roofs. The hotel is situated in a lush, green landscape. In the background, the Iguazu Falls are visible, cascading over a rocky ledge into a pool of water. A rainbow is visible in the mist rising from the falls. The surrounding area is densely forested with tropical vegetation. The text "HOTEL DAS CATARATAS, THE PERFECT PLACE FOR ROMANCE EXPERIENCES FOR TWO" is overlaid on the image in a white, serif font.

BODY AND MIND RELAXATION

What could be more romantic than an exclusive treatment for two in our divine spa?

This relaxing couple's massage is performed by specialized therapists with an intensity that promotes deepest wellbeing.

Hot candle massage

MADE IN BRASIL - 50 minutes

Special spa candles are heated so that they melt to form an oil with a soothing temperature of 38

or 39°C. Applied to the body using slow, gentle massage strokes, the warm oil relieves tension and stress and leaves you with a feeling of tranquility and peace. During the treatment, the body absorbs butíá extract and Ucuuba butter that make the moisturizing and nourishing effects even more potent.
