## DAY 1 PICNIC\*

Make the most of the beautiful scenery, tranquility and climate with a gourmet picnic. Choose your favorite spot on our lawn facing the falls or in the lush gardens, and enjoy a delicious spread of juice, natural fruits and artisanal breads. Savor the moment while soaking up the views and the sounds of nature.

### FULL MOON EXPERIENCE\*

On full moon nights, venture onto the walkways over the falls to watch one of nature's most stunning and rare phenomena: the lunar rainbow. Witness the moonlight reflected in the spray, forming countless shimmering rainbows, when the park is closed to other visitors. Exclusive to guests of Hotel das Cataratas, this is an unmissable, magical experience. Ages 12 and over only.

**Duration:** approximately 1 hour 30 mins

**Distance:** 2km - this is a seasonal experience, taking place at different times and on different days to match the best conditions.

## DAY 2 DISCOVER THE FALLS\*

Stride out on a family walk through Iguassu National Park, exploring the area's stories and curiosities while being enchanted by its diverse fauna and flora. Led by a guide, this unique experience takes place before the park opens to the public.

**Duration:** approximately 1 hour 30 mins

**Distance:** approximately 2km

### MACUCO SAFARI\*

Admire Iguassu Falls in an exhilarating new way. This three-part adventure begins with a ride through the forest in an electric jeep, allowing you to soak up the subtropical sights and sounds. Alight for a 600m walk along the raised walkways to feel even closer to nature. Then board a twin-engine boat for a thrilling journey upstream through the rapids to the waterfalls. Prepare to be drenched!

**Duration:** approximately 2 hours 30 mins

\* Activities with an additional cost

### DAY 3

#### FOREST BATHING

Feel empowered by nature in the atmosphere of the rainforest. This Japanese-inspired therapy is designed to awaken the five senses, create deep enchantment through connection with the elements, and enhance wellbeing, balance and health. In harmony with the trees, absorb the natural energy and clean, oxygen-rich air.

**Duration:** approximately 2 hours

#### HELICOPTER FLIGHT

Take to the skies for the most spectacular views of Iguassu Falls. On a 10-minute flight over the National Park and waterfalls, gain a sense of the area's scale and wonder as you capture unforgettable photos. Opt for a 35-minute tour to see the place where the three borders – Brazil, Paraguay and Argentina – meet (Marco das Três Fronteiras); Itaipu Dam, one of the largest hydroelectric power plants in the world, and the city of Foz do Iguaçu.

**Duration:** 10 mins or 35 mins

#### BIRD PARK

Parque das Aves is the most important bird breeding center in South America. Fully integrated into the natural environment, it offers delightful trails winding through the subtropical forest and spacious aviaries. Along the way, you can marvel at over 900 rare and colorful birds from 150 different species, most of which are native to the surrounding forest. It's a great place to help children learn about environmental issues, too.

**Duration:** approximately 1 hour 30 mins
