HOLIDAY DECOR | DAILY

From November 25th through the holiday season, Charleston Place will transform into an enchanted winter wonderland, complete with whimsical all-white installations, immersive birch forests, and abundant garland throughout the hotel from Petaloso, floral design studio. More than 70 decorated trees will adorn the hallways and courtyards, along with a 40-foot tree of lights in Market Street Circle. The holiday train, one of the hotel's most memorable traditions celebrating its 20th season, will return this year traversing the grand lobby along 300 feet of track.

COCKTAILS AND CAROLING | FRIDAYS 5PM-8PM

Starting on November 26th, get into the holiday spirit with Cocktails and Caroling in Market Street Circle. Sip on libations from the igloo bar while enjoying the festive sounds of The Charleston Caroling Company. Hot cocoa and sweet treats will also be available for purchase from Baguette Magic.

LET IT SNOW | DAILY 6PM

Every evening at 6pm, “snow” will magically fall on Market Street Circle, blanketing the holiday trees in a lovely sheet of winter white. Come witness the rare occurrence of snow in the Holy City!
