

# **JIMBARAN PURI**

A BELMOND HOTEL

BALI

*Welcome to Jimbaran Puri*

Be lulled by the  
Indian Ocean as  
waves lap against  
sugar-white sands.  
Paradise found.

## CHAPTER ONE

# Discover Indonesia

*Stretching across Southeast Asia and Oceania, the Indonesian archipelago is a kaleidoscope of cultures. In this captivating country, myriad adventures await*

Indonesia's numbers alone paint a picture of diversity and drama. Across 13,000 islands, 300 languages dance between tongues. Its ecosystems span from Sumatra's abundant rainforests, across the Coral Triangle to the equatorial mountains of Papua. It's a region where the rich cultures, communities and customs are as diverse as the sights, foods and awesome landscapes.

Like a jewel in the south of the country, Bali is famed for talcum sands fringed by azure breaks. Spirituality here goes hand in hand with hedonism. Visit temples or practice yoga before indulging in first-rate dining and enjoying a sundowner on the beach.

Nestled at the heart of a bay renowned for its calm, warm waters, Jimbaran Puri is an ode to the good life. Here we understand that true luxury is found in natural beauty, in genuine kindness and deep-rooted peace. This is the place to slow down, to clear one's mind and leave feeling recharged.

*'Bali is more than just paradise.  
It's a feeling, it's mystical,  
it takes you to another place,  
it's a spiritual state of mind.  
— Anonymous*

# Uncover Bali

*The rolling surf tickles sugar-white sands. Beyond ancient temples, feathery clouds shroud towering volcanoes. Bali's distinctive charm is intoxicating*

More than a destination, Bali is a state of being. It's a spirit, a conscious way of living, a holistic approach to wellbeing. Mention the Island of the Gods and a tropical paradise springs to mind. Postcard-perfect beaches are fringed by pristine reefs. Volcanoes serve as a dramatic backdrop to luscious rice paddies and a burgeoning social scene. It's small wonder that Bali is a magnet for lovers of the waves and keen yogis alike, for explorers and for those who simply want to press pause on the everyday.

There's a certain authenticity and generosity that greets visitors on this island. Across its streets, a rich and diverse culture thrives. Joyful processions snake towards ancient temples. Canang sari - offerings of flowers - line walkways. Wander around and revel in the sights and sounds of traditional dance and music. Religion shapes this sacred island. Bali is home to as many as 20,000 Hindu temples, and boasts some of the most picturesque in all Indonesia. Tanah Lot perches on a sea stack while the ethereal Uluwatu is nestled on a cliff overlooking the Indian Ocean. Stop by and you'll likely be greeted by a resident monkey. Bali is, after all, renowned for its warm welcome.

## CHAPTER TWO

# A Warm Welcome

*This is your personal sanctuary, a home-from-home that immerses you in the sights, sounds and serenity of the Island of the Gods*

Jimbaran Puri is a 15-minute drive from Ngurah Rai Airport and yet our visitors feel as though far removed from civilisation. At the heart of a small fishermen's enclave, we offer a taste of unspoiled Bali, a slice of paradise barely touched by tourism. Small wonder that we are regarded as one of the island's most serene hotels.

To arrive is to enter another world. Travel through a canopy of banyan trees, cross a quaint bridge stretching over a lotus pond and uncover a tropical hideaway. Here, authenticity and connection are key. Indonesian stone is paired with an earthy palette of bamboo and teak. Arranged around a meandering path, each villa has an aling-aling – a typical Balinese wall used to keep wayward spirits at bay.

Come morning, the gentle rhythm of waves breaking on the shore serves as nature's alarm. Step outside and inhale the heady aroma of frangipani flowers in your private garden. Later, stroll along the beach as pastel-coloured fishing boats fleck the horizon. Every moment here promises memories to cherish.

## Luxury Cottages

*An ode to Bali's tranquil atmosphere, these cottages offer an authentic retreat after days spent exploring the sacred island*

High-beamed ceilings and a calm, natural palette accented by teak set the scene for total mind and body relaxation. With a generous king-size bed and a plush sofa bed, each cottage can house up to adults and a child in exceptional comfort. In the bathroom, a sunken terrazzo tub invites bathers while fresh tropical fruit, a minibar and entertainment system care for all your needs. Step outside onto your private terrace or wooden deck and be greeted by the scent of lush flowers. The open-beamed thatched roofs of our detached **Superior Garden View Cottages** evoke an authentic Balinese atmosphere while nature surrounds **Garden View Cottage Suites**. For stunning views across Jimbaran Bay, opt for a **Beach View Cottage Suite** and let the setting sun and lapping waves lull you into a deep slumber.

# Pool Villas

*Take a dip into island living in one of our indulgent Pool Villas. Recline in your private bathing area, awash with the beauty of Balinese nature*

Step inside and discover an airy living space accented with rich teak woods and light cotton upholstery. Unwind in the sunken terrazzo bathtub in your inviting en-suite. Widescreen TVs, DVD players and iPod docks offer all the comforts of home. Outside, set amidst a traditional Balinese courtyard, your private pool beckons. Take your pick of fresh local fruit before relaxing on a lounge by an infinity-edge pool in a **Garden View Pool Villa**. Overlooking the horizon, **Beach View Pool Villa** invite guests to soak up the slow-paced island atmosphere. Travelling with friends or family? Opt for a **Garden View Two-Bedroom Pool Villa** spanning two floors. Suited for up to four guests, they each have a master bedroom with king-sized bed which connects via a staircase to a twin bedroom above.

## Deluxe Pool Villas

*Wander through bountiful tropical gardens. Pass by serene lotus ponds where dragonflies hover. These hidden oases make the perfect romantic getaway*

There's a certain harmony between Balinese charm and modern luxury in these graceful dwellings. Cool marble floors, teak furnishings and local artworks are complemented by high-tech entertainment systems and WiFi. A black-stone tub takes centre stage in our bathrooms. Refreshed, savour afternoon tea as you recline on the daybed or step outside and feel the tropical heat melt away with a dip in your private pool. With a plush king-size bed, the **One-Bedroom Deluxe Pool Villa** is a spacious sanctuary for couples. The **Two-Bedroom Deluxe Pool Villa** meanwhile is ideal for those travelling with family or friends, offering both a king-size bed and a second bedroom with twin beds.

# Within Our Walls

*Footprints dot talcum-soft sands. The gentle ocean stretches towards the horizon. Overhead, exotic birds sing. The scent of grilled fish entices you to dinner*

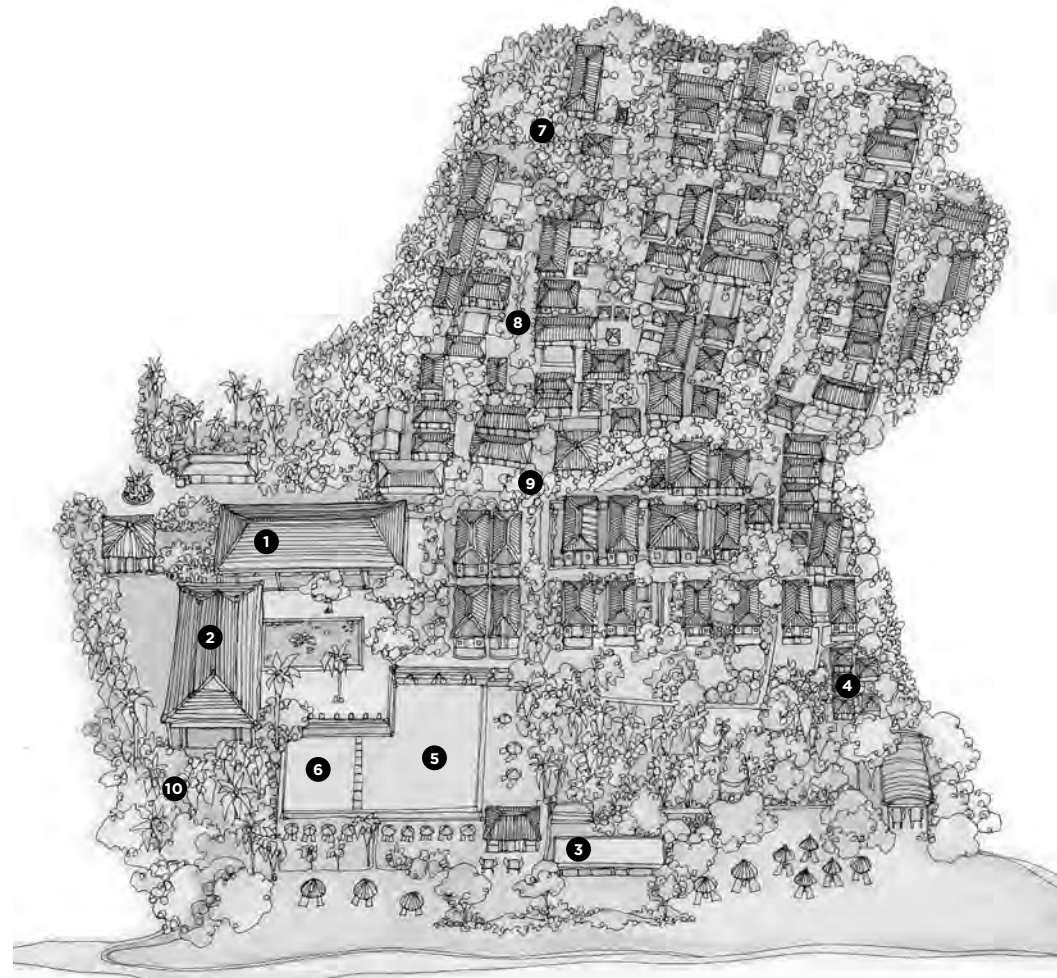

Bali is among the most visited islands on earth and it's easy to see why. Yet in our calm, secluded stretch, Jimbaran Puri invites you to press pause. Relax. Form a connection with the tranquil landscape and embrace the Balinese pace of life.

The resort celebrates local culture. Make offerings at one of our grounds' three temples. Dine on traditional Indonesian fare or enjoy an ayurvedic massage on the seafront. At the heart of the hotel, water cascades from fountains into our emerald infinity pool. Select a book from the library for some poolside company. Our staff will be on hand with drinks and appetisers. Pick up a memento from our boutique where items echo the island's artisanal heritage. Choose from vibrant batik scarves, painted wooden eggs and jewellery fashioned from precious jade. Incense, candles and oils capture the heady scents of Bali.

## Memorable Dining

*What makes Belmond Jimbaran Puri remarkable is its ability to make the ordinary extraordinary. Diners are immersed in the sights, sounds and tastes of Bali*

Breakfast is elevated to a multisensory experience in Tunjung Restaurant where guests glimpse the beach through a screen of palm and ketapang trees. Here, surrounded by lotus ponds, start your day with a rainbow of exotic fruits, delicate pastries, pressed juices, cheese and cured meats. Come nightfall, candlelight illuminates this intimate venue as Indonesian fare teases the taste buds.

The most exceptional views are found at Nelayan Restaurant. Dine on the Jimbaran sands as a postcard-worthy sunset makes its curtain call on the horizon. The range of fish here is as exceptionally broad as it is fresh. Championing organic ingredients gathered nearby – coconut, lemongrass – the menu marries Mediterranean technique with piquant local spices.

By day, Puri Bar is a place to enjoy light meals and a refreshing tippie from the comfort of your sun lounger. As the moon passes over the Indian Ocean, live music and traditional Balinese entertainment echo across the bay. Now's the time to cradle an orient-inspired cocktail and cherish this magical isle.

# The Beach Spa

*Waves ripple in the bay. A breeze carrying notes of birdsong and frangipani fragrance caresses the skin. Shaded by palms, our spa is a haven of relaxation*

Rich in the wonders of nature and ancient wisdom, holistic wellbeing is at the heart of Balinese culture. Making the most of principles passed down through generations, The Beach Spa serves to ignite the island's healing spirit. Whether treatments are enjoyed solo or as a couple, our time-honoured therapies promise to cleanse, reset and revitalise. Step inside one of our bamboo treatment pavilions overlooking Jimbaran Bay and embrace the synergy between body and soul.

# Supporting Our Community

*Over the years, Jimbaran Puri has forged strong connections with the local community so your visit can be one that gives back*

We believe that tourism should benefit not just travellers, but the places they visit too. That's why Belmond is driven by building strong relationships with – and opportunities for – the communities surrounding our hotels, trains and river cruises across the world.

Jimbaran Puri approaches the island's natural resources with reverence. Nothing goes to waste. Water is recycled across our gardens and we have eliminated the use of plastic bottles across the hotel. What's more, our staff demonstrate their pride in the area by helping to keep the entire bay in pristine condition.

The resort also supports Bali's Turtle Conservation and Education Centre. As well as offering donations to the its conservation fund, our team helps to rescue turtle eggs from the beach near the hotel, handing them over to the centre where the offspring are hatched and raised. As hatchlings are returned to the ocean, we like to think that we've played our part, however small, in the great circle of life.

The art of Balinese carving  
- seen everywhere from temples  
to the smallest homes - is one of  
many delights on the Island of the
