# Celebrate romance on Baie Longue

---

What could be more romantic than a St Martin wedding or honeymoon? At La Samanna, sun-bleached sands and turquoise seas perfectly set the scene.

Say your vows beside the water and continue the festivities with a vibrant Creole barbecue on the beach, or make your dream event come true with an al fresco banquet with sumptuous cuisine, enchanting entertainment and spectacular decorations beside one of our sprawling private pool villas.

For elegant weddings with an island twist, our experienced team can help create a day you'll cherish forever. We'll look after all the arrangements, ensuring your day is seamlessly smooth and magically memorable.

# Elopements, Proposals and Boutique Weddings

La Samanna is an idyllic lover's nest, blending casual refinement with cosmopolitan glamour.

Plan a moonlit proposal tucked away on your terrace against the backdrop of shimmering waves. For romantic dinners you're spoiled for choice on Baie Longue, from a table overlooking the sea at L'Oursin to a toes-in-the-sand experience for two under the stars.

Steal away for an elopement wedding with sumptuous tailored packages suitable for just the two of you or a select group.

Or plan a boutique wedding with your nearest and dearest, and stage a glamorous reception in one of our private pool villas with panoramic sunset views.

# Idyllic Honeymoons

St Martin, with its joie de vivre allure, has inspired many a love affair – from the likes of Ricky and Ralph Lauren to Jon Gould and Andy Warhol.

Follow in their passionate footsteps spending days stretched out on the sands, cocktails in hand. Be pampered with a couples massage, or be daring and conquer the waves with a choice of activities such as scuba diving, windsurfing and more. Sit down to a feast at L'Oursin, our world class restaurant, or arrange a private starlit dinner on the beach.

You may pinch yourself, but trust us, this heavenly haven is real!

## Take a Grand Tour honeymoon

---

You've loved our hotel, why not experience others in the Belmond portfolio? Just a stone's throw away from La Samanna is Cap Juluca, the ultimate barefoot luxury retreat.

Or head south for a seven day Grand Tour, choosing to stay at two or more of our South American hotels and trains. Combine a week in a vibrant city such as Rio de Janeiro with a relaxing break in Iguazu Falls; bask in the majesty of Machu Picchu or escape on the Andean Explorer for an unforgettable adventure.

## Milestone Birthdays & Occasions

Mark your once-in-a-lifetime occasion in style, and let us add some fizz to your event. From a milestone birthday to a wedding anniversary, La Samanna ensures that you mark it in great style—whether planning something spectacular or simply a picturesque dinner for two.

Be inspired by our array of sizzling celebrations. From a Caribbean Night – with fresh lobster barbecue, beach bonfires and local performers – to a sophisticated White Night, our sumptuous events are sure to charm.
