Spaces for Every Occasion

THE DRAWING ROOM

This exclusive space is perfect for drinks receptions, afternoon tea, and engaging masterclasses.

The space can accommodate up to 80 standing guests.

OSCAR & LILLIE

In honour of its namesakes, Oscar Wilde and Lillie Langtry, this historically rich space once served as the venue for illustrious societal gatherings in the 19th century.

It is only fitting that Oscar & Lillie continues to be an ideal setting for modern celebrations.

With its own private entrance and the ability to host diverse event formats, from cocktail receptions to formal dinners and vibrant dance parties, the space can accommodate up to 60 seated or 100 standing guests.
