BY HADDA

TREATMENTS

Hadda's approach to skincare is a unique fusion of holistic techniques and advanced technologies. She skillfully combines methods such as lasers, peels, micro-needling, and deep-tissue facial massage to achieve the best results for her clients.

Hadda's extensive knowledge and innovative methods have earned her a reputation for being able to address a wide range of skin concerns effectively.

Curated with Hadda's expertise, all treatments are bespoke and tailored to your specific skin concerns. Hadda's treatments will take into consideration your initial skin concerns, and delve into your lifestyle as she strongly advocates a good skin from within philosophy.

A unique fusion of traditional holistic techniques with the efficacy of advanced technologies such as lasers, peels and micro-needling, Hadda creates results-driven, bespoke treatments for each client.

TREATMENTS

THE QUICK RESET (45 MINS) WITH THERAPISTS EVIE OR GARDENE £185

This 45 minute treatment simultaneously targets the face and body. Relax in our Slimyonik Body Styler boots for full body lymphatic stimulation with pressure therapy, while we treat the face. This facial includes tension release, a soft enzyme peel, facial lymphatic drainage, and LED light therapy. Designed to instantly brighten and de-puff the skin with no downtime.

TOTAL SCULPT (55 MINS) WITH FOUNDER HADDA £375 WITH THERAPISTS EVIE OR GARDENE £250

The total sculpt includes deep cleansing of the skin. Using a combination of different massage techniques where we stimulate the lymphatic system, release tension and sculpt the facial and neck muscles. Finishing off with cool sculpting and oxygen for an immediate glow and face lift effect.

ADVANCED I (75 MINS) WITH FOUNDER HADDA £455 WITH THERAPISTS EVIE OR GARDENE £325

Experience a renewed radiance with our advanced I treatment. If your skin is in need of deep cleansing, resurfacing and instant replenishment you can restore your skin by booking this treatment.

Incorporating The Byonik cold laser that works on a cellular level and uses the healing power of light to treat, rejuvenate and strengthen the skin by stimulating collagen production, reducing inflammation and strengthening the skin.

TREATMENTS

ADVANCED II (90 MINS) WITH FOUNDER HADDA £525 WITH THERAPISTS EVIE OR GARDENE £400

Taking the best elements of Hadda's signature massage techniques in combination with professional grade peels and the Byonik Cold laser. Your skin will be deeply cleansed, nourished and lifted. This treatment will transform overall skin texture and promote an even and brighter skin tone, it's specifically designed to reduce the appearance of fine lines and will leave your skin instantly lifted and nourished.

To activate your entire lymphatic system we are adding the Slimyonik Airbody styler, which provides full body detoxification, lymphatic drainage and immunity boosting benefits.

MICRONEEDLING (60 MINS) WITH FOUNDER HADDA £575

Microneedling is a results-driven treatment, taking your journey with your skin to the next level. Unveil a smoother, more radiant complexion as fine lines, pore size, and scarring are minimised, while skin texture is improved.

During the process, our specialized needling device creates micro-trauma in the skin, triggering a natural healing next.

FULL BODY RESTORE (60 | 90 MINS) WITH THERAPIST GARDENE 60 MINS £250 | 90 MINS £325

The ultimate reset for a body in need of restoration. This 60-minute full-body manual lymphatic drainage treatment works in harmony with the body's own healing intelligence, using slow, purposeful strokes to stimulate circulation, ease fluid retention and draw out toxins accumulated through travel or daily life. Whether you've just stepped off a long-haul flight or simply need to exhale. This is where recovery begins.

TREATMENTS

THE BYONIK METHOD (55 MINS) WITH THERAPISTS EVIE OR GARDENE £325

The Byonik is a pulse-triggered cold laser using the healing power of light to treat, rejuvenate and strengthen the skin on a cellular level locking in hydration.

The Byonik method instantly reduces skin inflammation, redness and promotes healing directly within the skin cells.

The Byonik laser allows the bespoke targeted gels to work on an epidermal, dermal and subcutaneous level allowing for better penetration of active ingredients. The Byonik laser is completely pain free with no downtime and no pre or post treatment requirements and is great for those with stressed, dehydrated skin or a compromised skin barrier.

ADD ONS

SLIMYONIK AIR BODY STYLER £95

The Slimyonik Air body styler treatment provides a full body lymphatic drainage and detoxification. The body styler works with a pressure therapy massage based on the famous Vodder technique.

IDEAL FOR: feeling bloated, sports recovery, lymphatic drainage, disturbed sleep and much more.
