01 RELAX AND REVIVE AT ESSERE SPA

We invite you to unwind in our serene spa in the dramatic, vaulted setting of the estate's former wine cellar. Essere, meaning "to be" in Italian, is a place where you can simply be: savour each moment and focus on your wellbeing as you soothe mind, body and soul with therapies inspired by local Tuscan ingredients, such as rosemary, grapes and olive oil.

Enjoy rejuvenating rituals in five luxurious treatment rooms and a spectacular couple's suite with its own deep soaking tub and shower. We use sumptuous products from Carita, by L'Oréal, which has been at the forefront of skincare since its founding in 1945, and revolutionary British organic brand, ILA.

All rituals are suitable for both men and women unless otherwise stated. All massages can be enjoyed as a couple's treatment in our exclusive suite, subject to availability.

Work out in our fitness centre on state-of-the-art Technogym equipment, or stretch out in a yoga or pilates class on the lawn.

During your stay, please enjoy complimentary use of our pools, steam rooms and relaxing spaces, as well as the Spa's lush outdoor gardens.

Access: next to the church, close to Tosca

Reservations: Call ext 900 or press the Spa button on your room phone

13 SPA STYLE

We're delighted you will be joining us. Our spa is an oasis of calm, and we therefore ask that you help us maintain a peaceful ambience by speaking in a soft voice and turning off your cell phone.

APPOINTMENTS

As treatments are subject to availability, we strongly recommend scheduling your appointments before your arrival. Appointments for minors (children under 17 years of age) must be made by a parent or guardian, who must also check them in. Minors booked in for closed-door spa treatments must have a guardian in the room for the duration of the service.

CANCELLATIONS

We ask that you make any cancellation or change to treatments at least 24 hours before your appointment to avoid being charged the full fee.

ARRIVAL

We invite you to arrive at least 30 minutes before your appointment to allow adequate time to change. For your comfort we provide a robe, towel, slippers and other amenities. As a courtesy to other guests, should you arrive late we regret that we will only be able to offer you the remainder of your appointment time. The full cost of the treatment or service will still be charged.

WELLBEING

For your comfort and safety, we ask you to mention any conditions you may have, such as injuries, illnesses or allergies, when booking your appointment as certain treatments may not be advisable. In addition, before your treatment begins, please let your therapist or aesthetician know of any medical concerns.

PRECAUTIONS

We recommend eating and drinking in moderation and avoiding alcoholic beverages prior to your spa treatment or exercise class. If you need to shave (particularly beardless men receiving a facial), please do so at least two hours before your appointment. Please don't shave your legs prior to a body scrub treatment. Sunburn may limit enjoyment of your spa treatments; please be vigilant and use sun protection.

JEWELLERY AND VALUABLES

Most therapies flow more easily without the interference of jewellery. We recommend removing neck and wrist ornaments. Please leave all valuables in your room safe.
