INSIDER TIPS

Our country estate is set around an 11th-century castle. Surrounding it are 4,200 rolling acres, including vineyards and olive groves. We're located in the heart of Tuscany, with Florence, Siena and the top wineries within easy reach.

Enjoy intimate event spaces, such as our San Tommaso Chapel, or an expansive outdoor terrace offering unforgettable banquets with a view.

Exclusive use of the hotel is available and take advantage of our exceptional rates in April, October and November.

GETTING MARRIED IN ITALY

RELIGIOUS WEDDINGS

Non-residents can be married according to Catholic rites in a Catholic church. You will need to obtain the Nihil Obstat from your diocese, signed by your bishop, in order to be married in an Italian parish. Your wedding planners can also arrange a celebrant for Protestant, Jewish or Orthodox rites in a sacred location.

CIVIL WEDDINGS

Civil ceremonies may be celebrated in town and city halls throughout Italy.

BLESSINGS

Blessings are ceremonies without legal or civil restrictions and are therefore performed by a Master of Ceremonies, rather than a clergyman or state official. The ceremony suits couples who have already had a civil or church ceremony, but is also perfect for those who wish to renew their wedding vows.

ENTERTAIN YOUR GUESTS

Join us all year round for a variety of vineyard tours, tastings and dinners in and around the hotel, or private visits to some of the country's most prestigious wineries, including Le Macchie, Antinori, Avignonesi, Casanova di Neri and Podere Le Ripi.

As our hotel nestles in a nature reserve, there are many animals to be spotted. Join our ranger on a jeep safari at sunrise or sunset to glimpse deer, porcupine, wild boar, pheasant, foxes and hares.

Discover why Castello di Casole has been awarded the "I Cieli più belli d'Italia" quality astro tourism certification, which identifies the very best locations for observing Italy's beautiful night sky. Join us on an astrotour with a telescope in our grounds. Sip a refreshing aperitif before an English-speaking astronomer hosts a lesson in nocturnal orienteering.
