

Le Jardin des Rêves Dior at The Copacabana Palace

THE DIOR SPA PHILOSOPHY

Based on the alignment of skin and senses, the avant-garde Dior Skincare philosophy considers each guest holistically, with specific care for the physical, emotional, and psychological wellness. With a commitment to provide the most intimate and beautiful experience of true well-being, the Dior savoir-faire heightens expertise, allowing dreams to inspire reality, promising the never-ending delight of an immediate and lasting transformation thanks to an exclusive combination of professional formulas, manual techniques, and cutting-edge technologies.

THE COPACABANA PALACE LEGACY

For a century, The Copacabana Palace, a Belmond Hotel, has been the Brazilian beachfront icon and its sense of historical glamour is alive with every step. Celebrating this year its 100th anniversary, the cinematic star location welcomes Dior for a month of festivity by the pool. The meeting with the House of Dior was only a matter of time as their DNA is so close, bathed with international stars, French infused design & worldwide influences. Welcome to the legacy.

LE JARDIN DES RÊVES DIOR AT THE COPACABANA PALACE

Along the iconic pool, Dior creates a new Dior Spa cabana dedicated to wellness. A unique cocoon, out of time, to experience a day of wellbeing thanks to Dior treatments and The Copacabana Palace iconic pool.

DIOR EXCEPTIONAL FACIAL

LE SOIN PREMIER DIOR PRESTIGE FACE – 90 min

A facial treatment specially inspired by the Dior Prestige range. Supplemented by a 3-dimensions massage to resculpt the face & décolleté thanks to expert gestures from our Dior Spa Wellness Experts, this treatment repairs 100% of the dimensions of aging: structure, texture and color. To finalize the treatment, Rose Quartz is used to soothe, calm and illuminate the face. From the source of the rose to the source of youthful skin, Le Soin Premier promotes skin revitalization and deep relaxation.

KOBI-DIOR FACE – 60 min

Kobi-Dior is a high-performance anti-aging treatment inspired by Kobido techniques. These techniques have been reinterpreted by Dior, harnessing their power through a lifting muscle massage with rejuvenating effects. These deep and precise massage movements reshape and plump the entire face. All signs of aging are diminished. Wrinkles are smoothed, and contours are resculpted.

DIOR BODY MASSAGE

CONSTELLATION BODY – 90 min

A deep relaxation and an absolute letting go. This is the promise of this multi-sensory journey. A holistic massage combined with slow and enveloping gestures over the whole body aims to release muscular tensions one by one. Intensely relaxed, the body becomes the setting for a newfound inner peace.

NEW LOOK BODY – 60 min

The silhouette is reshaped by this slimming and firming massage that combines precise motions and state-of-the-art manual techniques. These draining gestures are associated with rolling, as well as the 'Skin Lift' method, allowing a deep and exceptional anti-cellulite action.
