ROUTES OF CHANGE

Soak up the best of Southeast Asia on one of our three-night routes from Singapore. The first itinerary travels through Kuala Lumpur to Penang and Langkawi; the second courses through the jungle heart of Malaysia and then onwards to Penang. The journeys allow discovery of some of Malaysia's greatest destinations.

Culture, nature, adventure, food and art can all be discovered a step away from the train, from snorkelling in a marine park and relaxing on a private beach with wellness activities to meeting local cooks and famous artists of Penang.

WONDERS OF ASIA

Conservation is at the heart of the Eastern & Oriental Express philosophy. The Malayan tiger is the national animal of Malaysia, emblazoned on the country's coat of arms and on our train's emblem.

Our train has an ongoing partnership with Save Wild Tigers, working to safeguard the Malayan tiger. As we journey through the country's beautiful jungle, we invite guests to join us in protecting this noble animal.
