ACTIVITIES IN THE HOTEL

IN OUR SMILE CLUB

Kids between the ages of 4 and 12 are invited to the Smile Club at Belmond Hotel Splendido for an exciting day of fun and activities, such as painting a dolphin, decorating a mosaic box, jewellery making, scavenger hunt, shell mobiles, role games, board games, 3D construction, brain teasers... and much more. Anne - French, English and Italian speaker - is happy to make kids feel at home while mom and dad take advantage of one of the local tours, enjoy a spa treatment or just relax by the pool. Our Smile Club is open all week long during summer months, 10am - 7pm.

IN OUR ROOMS & SUITES

We provide a special children's Welcome Kit, a variety of children's DVDs, slippers and bathrobes, disposable bottles, cribs and high chairs.

IN OUR RESTAURANT

For kids wanting to become acclaimed chefs, learning the art of making and baking pizza and focaccia is the way to go. At our Pool Restaurant, our Pizzaiolo Andrea will be happy to show you his skills! (From Tuesday to Friday, for children over 7 - advance booking required).

A Children's Menu is available through Room Service and in our restaurants. Drawing and coloring sets can be provided to occupy little ones at the table. Highchair available too.

IN THE WELLNESS CENTRE

Our Wellness Centre features a great array of treatments for children. And what about learning Teen Make Up tricks? Ever thought about relaxing with a Family Yoga Class for parents and children, or let your kids enjoy Kids' Yoga on their own?

IN THE GARDENS

For art-loving children, we can arrange drawing, watercolours or even comic design classes with a local artist. The classes will be run by a professional with experience in art teaching for kids.

IN OUR TENNIS COURT

Our professional instructor is happy to train or play with kids in the on-site tennis court.
