THE
SANCTUARY
OF
TIMELESS
SERENITY

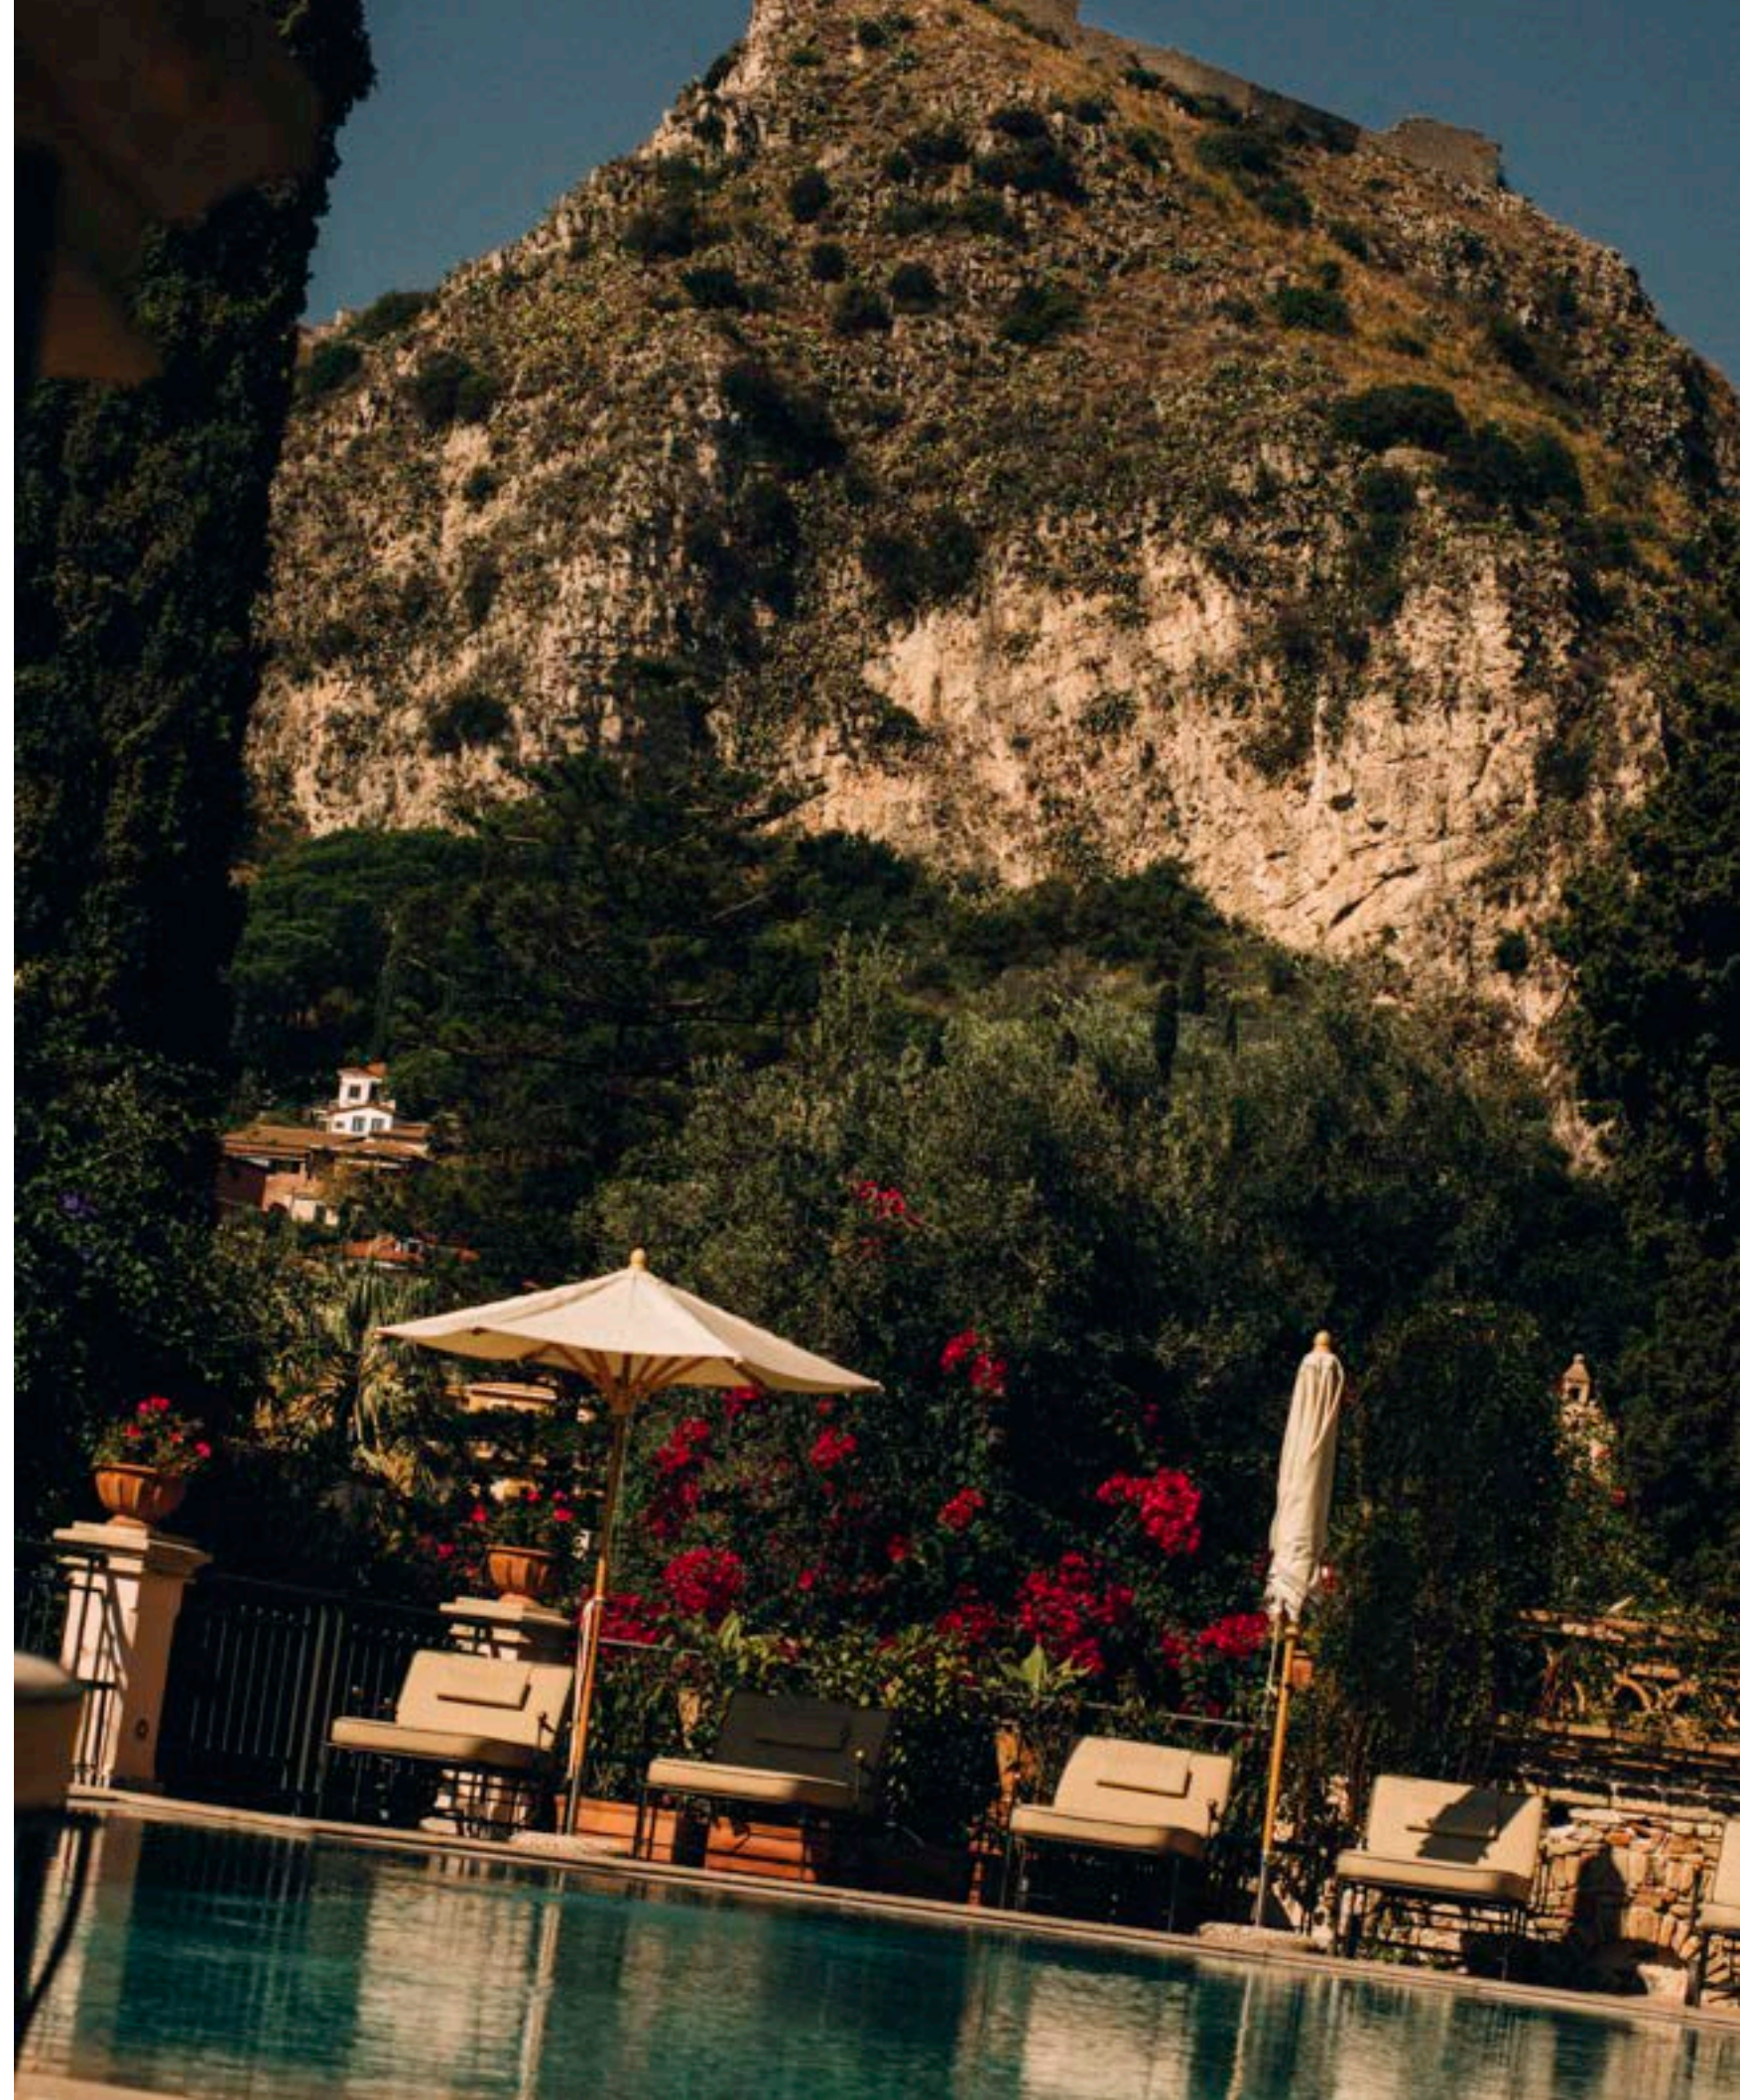

REDOLENCE OF VINTAGE GLAMOUR

Italy, an eternal muse for Monsieur Dior, consistently offered a profound wellspring of inspiration, shaping his sculptural vision of fashion and perfume, far from Parisian melancholy.

Grand Hotel Timeo, A Belmond Hotel, Taormina with its lush landscapes, echoing the Château de la Colle Noire, alongside its Greek and Baroque artistry – and with the Teatro Antico representing theatricality and spectacle – is the kind of epicurean sanctuary that always captivated and beckoned Monsieur Dior.

Celebrated for its cinematic legacy, Taormina resonates deeply with the couturier's world, having ignited the creative sparks of icons from Claudia Cardinale to Alain Delon, both enduring muses of the House of Dior.

A true Sicilian jewel, nestled in the hills of Taormina, overlooking Mount Etna and the Ionian Sea, Grand Hotel Timeo is redolent of Sicilian glamour. A place where old and new worlds harmonise, where the breathtaking views that once inspired great artists still enchant like nowhere else.

THE ISOLA BELLA SUITE

At Dior Spa Grand Hotel Timeo, every moment is an ode to the Sicilian light: not the one contemplated from the outside, but the one that awakens and radiates within you. Inspired by the *'Island of Light'*, this cabin is a celebration of inner and outer radiance.

Designed as an intimate sanctuary, the space is infused with a gentle warmth thanks to its infrared sauna, creating a cocoon of purifying energy. An experience where the enveloping heat and rediscovered clarity are lived and intensified, leading to an absolute feeling of renewal and glow.

The Isola Bella Suite can be privatised to fully enjoy the benefits of the infrared sauna, alone or for two, for immediate relaxation that enhances the benefits of your treatment.

For private use of the Isola Bella Suite, a supplement of €120 per person applies.

*“Happiness is the secret
of all beauty.”*

THE SCIENCE OF HAUTE WELLNESS

HIGH DEFINITION
HIGH TECHNOLOGY
HIGH TOUCH

At Dior Spa, beauty arises from balance: a delicate fusion of mind and body, inspired by Christian Dior's timeless vision: *"I wanted to make women not only more beautiful, but also happier."* Dior Haute-Wellness embodies this philosophy, uniting expert craftsmanship with innovation to immerse each guest in the heritage and spirit of the House.

With a commitment to **High Definition**, each treatment is designed with absolute precision to meet individual needs. A tailored diagnostic ensures a thorough understanding of the skin and body, allowing for highly personalised care that enhances natural radiance.

Blending **High Technologies** and expert techniques, Dior Spa treatments work in perfect synergy to rejuvenate the skin, sculpt the silhouette and illuminate the face. Advanced devices enhance each ritual, delivering visible results while promoting deep relaxation of the mind.

At the heart of this transformation lies the **High-Touch** expertise of the Wellness Experts, who perform meticulously choreographed rituals designed to awaken the senses and restore harmony. The mastery of the «Dior Hands,» enhanced by modern innovation, creates an immersive and multi-sensory journey that elevates both beauty and well-being.

A haven of serenity and refinement, Dior Spa Grand Hotel Timeo redefines self-care: it is an invitation to transcend the ordinary, enveloping each guest in an exceptional, couture-inspired experience where luxury meets performance and well-being becomes art.

THE DIOR HIGH TECHNOLOGY

Dior has always combined its scientific expertise in skincare with manual techniques and cutting-edge technologies. This complementary know-how has resulted in visibly transformative treatments. Without compromising on sensorial experience, they offer the ultimate experience of beauty and well-being. In the spirit of high-precision well-being, Dior Spa Grand Hotel Timeo harnesses cutting-edge technologies to visibly rejuvenate and repair skin that has been challenged by urban and outdoor lifestyles. In this Mediterranean heaven, the House unveils its most advanced technologies, for an even more expert approach to beauty.

MECHANICAL ACTION

HYDRA-DERMABRASION

Advanced vortex technology infuses the skin with active ingredients to purify, exfoliate and reveal radiance, while diminishing unwanted blemishes.

LIGHT WAVES

LED TECHNOLOGY

Every skin cell has the incredible ability to absorb and convert light into energy. An LED mask acts as a natural energy source, boosting cellular respiration to stimulate elastin and collagen production. As a result, the skin becomes plumper and repaired, with refined texture and redefined contours.

BIOTECHNOLOGY

OXYGEN & NEGATIVE IONS THERAPY

Infusion of oxygen optimises product penetration for a visibly radiance boost for the scalp and face.

THE DIOR HANDS

Guided by this philosophy, our approach to wellness goes beyond aesthetics, offering an experience that enhances both inner and outer beauty.

Our Haute-Wellness perspective blends meticulous craftsmanship with cutting-edge innovation. Like artisans in Dior’s couture ateliers, our Dior Wellness Experts, the “Dior Hands”, bring precision and care, combining expert hands with advanced technology co-developed with world-leading experts. FACE & BODY – 90 MIN

Benefits: Mental Disconnection | Revitalisation | Energy Restoration

Inspired by Lithotherapy and Ayurveda, this exceptional treatment offers profound revitalisation, fostering a true mental disconnection and restoring vital energies.

Guided by the power of a Sicilian semi-precious stone, acting as a personal talisman, this treatment begins with a thorough scalp massage for complete mental disconnection and dissolution of any lingering worries, providing a sensation of lightness. It is followed by a dry brushing with the Dior Crins Précieux brush to gently exfoliate the skin and activate circulation.

Through targeted acupressure movements, the body is deeply revitalised and prepared for a transformative energetic massage that generously incorporates Dior Aromachological Oils, chosen for their soothing, energising, or firming properties.

This fluid dance of frictions and stretching techniques uplifts the spirit and releases vital energy flows, while diffusing the aromatic benefits of the oils, awakening the senses and delicately enveloping your skin and spirit. As a final touch, digito-pressure and a delicate postural realignment perfect the rediscovered harmony of body and mind.

The results are immediate: a clear mind, profound relaxation and revitalised energy, ready to savour every moment of the Sicilian Art de Vivre.
