FAMILY EASTER FUN ON THE LAWN

**APRIL 20
FROM 12:00 – MAIN GARDEN**

Our verdant lawn becomes the scene of a luxurious champagne picnic as we invite you to gather for a thrilling Easter egg hunt. The treasure hunt is loosely connected to the story of the Resurrection, when Jesus's empty tomb was discovered. Easter eggs, meanwhile, signify rebirth and new life. Your children may be blissfully unaware of this, of course, as they charge around, seeking high and low for their ovoid riches.

SIURELL PAINTING

APRIL 20

5:00 PM – KID'S CLUB

Learn to decorate siurells, Mallorca's traditional whistling figurines. Intrinsic to the island's rich cultural heritage, the craft behind these ceramic artworks has been handed down through generations of artisan families. The siurell's origins are something of a mystery. Some believe they date from Etruscan times, others think they were brought to the island by Phoenician traders. Whimsically decorated with splashes of green and red, the oven-baked, lime-whitened figures are said to have been a source of inspiration to Joan Miró, whose own enchanting artworks can be admired in our Restaurante Miró.
