

# La Casita Encantada

Daytime fun, wellness activities and explorations  
of culture and nature are some of the  
many activities we have for the little ones.  
Ami, our Kids Host Manager, will make sure  
that our youngest guests make  
the most of their time at Maroma.

MONDAY

# JUNGLE

## NATURE WALK

Step into the enchanting world of nature with our Kids Nature Walk adventure.

This outdoor exploration is tailor-made for young adventurers eager to discover the wonders of the natural world.

## LEAF'S ART

An eco-friendly activity that invites children to connect with nature while unleashing their creativity. This artistic endeavor transforms ordinary leaves into unique pieces of art, allowing kids to explore shapes, textures, and patterns found in the natural world.

## MAROMA'S ANIMAL GAME

Venture into the heart of the jungle with an exciting and educational activity designed to immerse kids in the captivating world of jungle creatures.

This adventure-packed experience offers a blend of physical activity, teamwork, and animal-themed fun.

## JUNGLE BANQUET

Embark on a fun adventure where kids learn about animal diets in Maroma! Through interactive games, they discover which animals are herbivores, carnivores, or omnivores by matching them with their favorite foods. It's a wild and educational feast!

## INTRODUCTION TO MIXOLOGY

Activity designed to teach children about the art and science of making non-alcoholic drinks, also known as mocktails. The primary objective of this activity is to introduce kids to the world of mixology in a safe and age appropriate manner. It aims to teach them about the importance of creativity, balance, and presentation when preparing drinks.

## OBSTACLE COURSE

Children will use their creativity and critical thinking skills while having a blast uncovering clues and treasures in the great outdoors.

## SHADOW THEATER

Dive into a world of creativity and imagination! Kids use light and shadows to tell captivating stories with their hands, puppets, or cut-out figures behind a lit screen. This activity fosters storytelling skills, creativity, and coordination in a fun, engaging way.

TUESDAY

# WELLNESS

Kobi

## MORNING STRETCH

Get ready to kickstart your day with boundless energy and flexibility as our fantastic fitness instructor leads an exciting Morning Stretching session crafted just for you.

## HERBS EXPLORERS

Unveil the secrets of herbs. Kids explore various scents, textures, and uses of plants, learning about their medicinal, culinary, and ecological benefits. It's a hands-on adventure into the world of nature's wonders.

## POOL TIME

Get ready for an unforgettable aquatic journey at our one-of-a-kind Acuarios Pool. It's time to make a splash, have a blast, and create watery memories.

## BATH BOMBS

Prepare for a bubbly and colorful adventure as kids dive into the world of bath bomb creation! This hands-on and aromatic activity allows children to craft their own bath bombs, transforming their bath time into a fizzy, fragrant, and fizzy experience.

## MELODY MAGIC

Children are introduced to the world of music through a combination of play and learning. Equipped with a variety of musical instruments, colorful props, and engaging activities, kids embark on a journey of rhythm and melody.

## MAKING MANDALAS

Ready to create something beautiful and explore your creativity? Join our mandala-making workshop and discover the joy of designing and coloring these intricate patterns.

## MINDFULNESS

This activity helps children develop skills to manage stress, improve concentration, and cultivate emotional well-being. It equips them with valuable tools for self-awareness and emotional well-being, setting a foundation for a lifetime of mindful living.

WEDNESDAY

# MELIPONA BEE DAY

## BEE'S TRIVIA

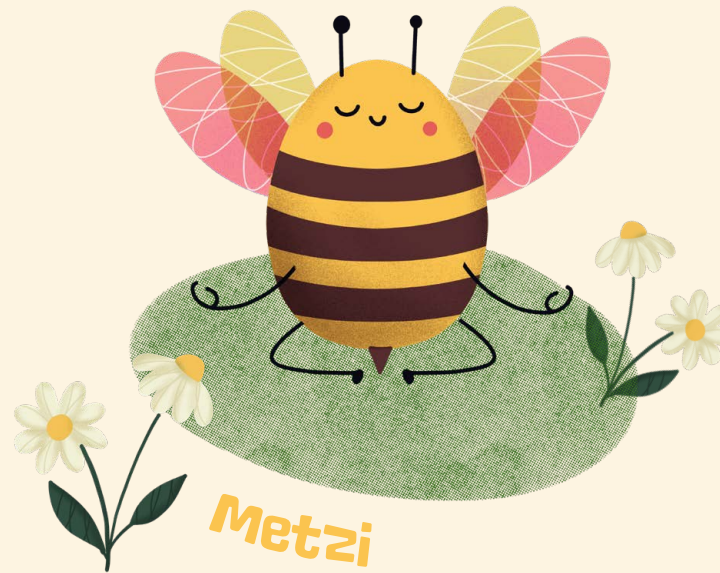

Equipped with colorful visuals and interactive elements, this activity aims to make learning about bees fun and memorable.

## VISITING THE MELIPONARIUM

Activity which provides an immersive experience for kids to learn about stingless bees but also inspires a sense of responsibility towards protecting and preserving these essential pollinators./ Exciting and educational activity designed to provide a close-up look at the fascinating world of bees.

## BEE CRAFT

In this buzzing bee craft activity for kids, children embark on a creative adventure to make their own adorable bees.

## HIVE EXPLORERS

Kids will participate in activities such as memory games and mazes improving their cognitive abilities while discovering interesting facts about bees.

## SWEET BEE CREATIONS

Fun and creative culinary activity that allows children to express their artistic talents while learning about bees and the importance of pollinators.

## BEEES ON A MISSION

Children will engage in roleplaying activities and immersive games to gain a comprehensive understanding of how bees interact within the beehive. Through these interactive experiences, they will delve into the intricate dynamics of bee colonies, fostering a hands-on and engaging learning environment.

## STORYTELLING

This activity provides a platform for kids to enhance their creativity, communication skills, and love for narratives while sparking their imaginations.

THURSDAY

# GREEN DAY

## RECYCLING GAME

Kids will navigate through a maze filled with recyclable materials, discovering the proper bins and practices for recycling while having a blast.

## FRUIT SALAD

Join the fruity fun! Kids will explore different fruits, their flavors, textures, and colors while preparing a delicious mix. They learn about nutrition, teamwork, and basic kitchen skills in this tasty activity.

## POOL TIME

Get ready for an unforgettable aquatic journey at our one-of-a-kind Acuarios Pool. It's time to make a splash, have a blast, and create watery memories.

## RECYCLED PAPER CARDS

Kids will craft their own ecofriendly paper embedded with flower or herb seeds. This activity not only teaches children about recycling and sustainability but also introduces them to the magic of gardening.

## MAKING A COMPOST

Turn scraps into wonder! Kids learn how to recycle organic waste into nutrient-rich soil. This hands-on activity teaches sustainability, responsibility, and the importance of reducing waste while connecting them with nature in a fun and interactive way.

## GARDENING

Get your hands dirty and connect with nature! Kids plant and care for our casita encantada plants, learning about soil, seeds, watering, and sunlight. This activity encourages responsibility, patience, and environmental awareness.

## PAINTING FLOWERPOTS

This experience allows children to craft their own unique flower pots to nurture their love for nature and gardening.

FRIDAY

# MAROMA MAKERS

## ORIGAMI FUN

Fold, flip, and create! Kids are introduced to the art of paper folding, transforming plain paper into animals, flowers, and exciting shapes. This activity enhances fine motor skills and concentration in a fun and creative way.

## STEAM LAB

Explore the world of STEAM! Kids dive into Science, Technology, Engineering, Arts, and Math through fun projects like building simple machines, creating experiments, designing art with technology, and solving puzzles. It's a blend of creativity and critical thinking!

## FRIENDSHIP BRACELET

Children are provided with colorful threads, beads, and other embellishments to design and craft their own unique friendship bracelets.

## DOUGH SCULPTORS

Squish, mix, and sculpt! Kids make their own dough from scratch and then shape it into amazing sculptures. This hands-on sensory activity allows children to explore textures and unleash their creativity.

## PIZZA

Interactive activity that invites kids to roll up their sleeves, get creative, and become pizza chefs for a day. This hands-on cooking experience not only teaches children about food preparation but also encourages teamwork and culinary creativity.

## MAKING PIÑATAS

Making piñatas is a fantastic way for kids to express their creativity, and look forward to a fun-filled celebration where they get to enjoy the fruits of their labor.

## DANCE & MOVEMENT

Jump, spin, and groove! Kids enjoy games, playful rhythms, and creative moves that boost coordination and confidence. It's a fun way to get active and express themselves through dance.

SATURDAY

# MEXICAN JOURNEY

Felipe

## PAINTING CERAMIC

Unleash your inner artist! Kids decorate their own ceramic pieces using a palette of vibrant colors. They turn blank ceramics into beautiful, personalized masterpieces, bringing their artistic visions to life.

## MEXICAN STORIES & LEGENDS

Journey into Mexican folklore! Kids craft their own postcards, illustrating legendary tales and decorating images that bring these stories to life. It's a creative dive into the rich world of Mexican culture.

## POOL TIME

Get ready for an unforgettable aquatic journey at our one-of-a-kind Acuarios Pool. It's time to make a splash, have a blast, and create watery memories.

## HUICHOLO ART

This creative activity introduces children to the unique artistic traditions of the Huichol people while allowing them to create their own Huichol-inspired art pieces. It combines artistic expression with cultural appreciation and fine motor skill development.

## GUACAMOLE

Culinary activity that introduces children to the world of cooking and healthy eating. Guacamole is a delicious Mexican dip or spread made primarily from avocados, and it's a great way to teach kids about nutrition, food preparation, and teamwork in the kitchen.

## DECORATING TOTE BAGS

Fun and creative activity that allows children to personalize and decorate their own tote bags. These bags can be used for carrying books, toys, or personal belongings, making them both functional and unique.

## MEXICAN GAMES

Get ready for a vibrant and energetic adventure as children immerse themselves in the rich culture of Mexico through a fun-filled session of Mexican Games! This interactive and educational experience introduces kids to traditional games and activities from Mexico, fostering an appreciation for diversity and the joy of play.

SUNDAY

# CARIBBEAN OCEAN

## OCEAN ANIMAL'S MEMORY GAME

In this exciting and educational challenge, children will test their memory skills by matching pairs of vibrant and adorable ocean creatures. From playful dolphins to graceful sea turtles, the cards hold the secrets of the deep blue sea.

## TURTLES WORKSHOP

Dive into the captivating world of sea turtles with our Turtle Workshop! This immersive and educational experience is tailor-made for curious young minds eager to learn about these incredible marine creatures.

## DISCOVERING THE REEF

Dive into the Mayan Reef! Kids explore the incredible underwater world through fun activities and interactive lessons. They gain a deeper appreciation for ocean life and learn simple ways to help preserve this underwater treasure.

## WATERCOLOR PAINTING

With each stroke of their watercolor brushes, children will embark on a creative journey inspired by the vibrant blues and sublime tropical hues of the Caribbean Sea.

## SEA ANIMAL'S MOBILE

Children will create their own mesmerizing mobiles featuring a delightful array of sea creatures. With a variety of colorful materials, they'll craft fish, turtles, seahorses, and more, each dangling gracefully from their mobile strings.

## FISHING GAMES

Get ready for a thrilling and entertaining adventure with our Fishing Game designed to delight kids! In this interactive and fun-filled activity, children will step into the shoes of little anglers as they embark on a fishing expedition.

## STORYTELLING

This activity provides a platform for kids to enhance their creativity, communication skills, and love for narratives while sparking their imaginations.
