INTRODUCING OUR NEW SIGNATURE RESTAURANT
WITH CHEF CURTIS STONE

Curtis Stone brings his skillful open-fire cooking technique to Woodend, Maroma's quintessential beachside restaurant.

A celebration of the connection between sea and land, the menu features seasonal dishes, freshly caught and grilled seafood, the finest meats, and an extensive range of plant-based dishes.

Taking inspiration from the farmers and fishermen whose ingredients are the heart and soul of the local fare, the cuisine pays respect to the Yucatán Peninsula, its history, and traditions.
