LE MANOIR AUX QUAT'SAISONS

OXFORDSHIRE

Citronelle Enabling Facilities	
Suction Handrails	These grab rails can be very easily attached to any flat smooth surface like the wall tiles or the bath surround. We have two small and two long suction rails available.
Raised Toilet Seat	This extension raises the height of the toilet seat for ease of transferring from a wheelchair.
Shower Seat	Very comfortable and secure with a fully adjustable seat and arm rests. When not being used it can be folded up.
Removable Sink	This fits on the wall next to the toilet and allows the guest to wash their hands whilst still using the toilet
Removable Shelves and Towel Rack	This is fitted on the wall close to the shower seat and allows the guest to put their soap etc on the shelves for ease of washing. It also has a rail for towels.
Removable Wall Hand Rails	Toilet Arm Rests: These two arm rests are fully adjustable and fold up when transferring from a wheelchair or when not being used.
Red Alarm Pull Cords x2 and Button in Bed	To send alarm signal to reception when pulled.
In-Bath Lift	Battery operated in-bath lift/lower platform (kindly donated by Scott, Gaynor and Ross Bowie).
Toilet Arm Rests	These two arm rests are fully adjustable and fold up when transferring from a wheelchair or when not being used.
Bedroom Ramp and Platform	To allow raised height access into bed.
Bed Side Panel	To stop person from rolling out of bed.
