A BELMOND HOTEL
LONDON

Retreat to Chelsea and unlock the city's secrets with The Cadogan. Choose from our exclusive experiences and create an entirely tailored getaway.

The Cadogan, A Belmond Hotel is a tranquil retreat with a neighbourhood feel. On the crossroads of chic Chelsea and glamorous Knightsbridge, the hotel is a home in the heart of the city – and, as though real Chelsea residents, guests are given the key to the hotel's vibrant locale. As part of the newly launched 'Our Chelsea, Your Way', discover the city's secret gems with a menu of exclusive, local experiences.

Explore Chelsea Physic Garden – London's oldest and most beautiful botanical garden – with complimentary, out-of-hours access, or browse the high-end boutiques of Knightsbridge accompanied by a private shopping concierge, with pit-stops at artisanal delis, museums and galleries.

Take a luxury boat trip on the Thames from the famous Cadogan Pier, or stroll Cadogan Place Gardens, to which hotel guests have exclusive access. Play tennis or practice yoga on the manicured lawns, before savouring Afternoon Tea in the lounge.

Back at the hotel, opt for a spa ritual or cosy-up by the fire with a creative cocktail. Elegant yet homely, suites mirror the artistic spirit of Chelsea, with statement artworks, velvet, marble and splashes of silk, complete with Victorian hardbacks in a nod to famous past resident, Oscar Wilde.
