

PULLMAN DINING

IN COLLABORATION WITH

*Luminary Bakery*

---

Luminary is a London Social Enterprise Bakery that supports women who have experienced social and economic disadvantage by offering them opportunities to build a future for themselves.

It provides a safe and professional environment where individuals can grow holistically - encouraging ambition, restoration and second chances. Using baking as a tool to take women on a journey to employability and entrepreneurship, Luminary equips them with transferable skills for the working world. Through courses, work experience and paid employment within the bakery, women are empowered to forge their career.

At British Pullman we are delighted to partner with and support the amazing women of Luminary through our menus. We hope you enjoy our delicious Luminary damson baba, finished with a shot of Sloemotion Distillery's Damson Gin Liqueur, which is crafted from surplus English fruit that would otherwise have gone to waste. A much better use of ingredients, we're sure you will agree!
