

Tis the **SEASON**

Beautifully warm year-round, Madeira is the perfect place to celebrate a year-end getaway with some winter sun.

From December 1, Funchal explodes with lights, glittering decorations and imaginative displays. An enticing array of festive food jostle for attention among tropical fruit, spectacular flowers and the captivating atmosphere that infuses Avenida Arriaga. Get lost in the little alleys of the city taking in the exotic Christmas spirit and look out for traditional lapinhas, the traditional Madeiran nativity scenes decorated with tropical fruit.

When the end of the year approaches, celebrate the Eve of the Eve as true Madeiran do and prepare for the incredible firework display on New Year's Eve, one of the largest shows in the world.
