CINQUE TERRE

In this little corner of Liguria, generations have carved out the landscape from the steep terraces that plunge into the sea. Over 7,000km of drystone walling, cleverly constructed without cement, frames vineyards that reach down almost to the lapping waves. The astonishing area is both a protected national park and a UNESCO World Heritage Site.

The Famous Five

Departing from Portofino, the first village you come to is Monterosso al Mare, which boasts an expansive beach and promenade. Vernazza is a natural port, protected from the sea by a rocky promontory, and the only safe landing point in the Cinque Terre. Corniglia, nestling on a hill surrounded by vineyards, is a delightful cluster of multicoloured houses. Equally picturesque are the unspoilt villages of Manarola and Riomaggiore, clinging to the rock face.

Fabulous footpaths

Without doubt, the best way to appreciate the Cinque Terre is on foot. Along paths that until recently were the only means of communication you discover bewitching landscapes, suspended between sky and sea. Terraced vineyards alternate with strips of olive trees and, where man has abandoned the soil, the Mediterranean scrub has taken over, a fragrant profusion of euphorbia, broom, pink cistus and agaves. Some routes may be temporarily unavailable for scheduled maintenance, please make sure to check with the concierge before hitting the road.

Walking times between villages:

Monterosso - Vernazza 2 hours

Vernazza - Corniglia 1 hour 30 minutes

Riomaggiore - Manarola 'Via dell'Amore' 30 minutes

The prices vary depending on the day. Sturdy footwear is recommended as paths can be steep/uneven. Please check with the Concierge which paths are currently open.

During this walk you will reach some of the most beautiful and unspoilt viewpoints in the area, such as Cala degli Inglesi.

The walk lasts 2 hours and the path stretches for 4.2 km. Sturdy footwear is recommended as paths can be steep or uneven. Please ask the Concierge if you're interested in either more challenging or easier routes.

MOONLIGHT OVER THE 'MAR LIGURE'

VISIT TO THE LIGHTHOUSE

The protected Parco Regionale di Portofino occupies most of the headland jutting between the Ligurian resorts of Camogli and Rapallo. Part forested ridge, part Mediterranean scrub, it is traffic-free, making it an inviting place to walk. Take an easy, short stroll from the harbour up a series of steps to the Church of San Giorgio, dramatically situated on the promontory's narrow neck. Savour the wonderful views before continuing

to Castello Brown, an imposing building once inhabited by the British Consul, Montague Yeats Brown. The enchanting dwelling boasts beautiful terraced gardens, including twin pines that Brown planted to celebrate his marriage. Continue along the headland to the lighthouse and perhaps enjoy a replenishing break with local products at the bar operated by a sustainable local farm. Soak up views of the turquoise sea before retracing your steps.
