A high-angle, scenic photograph of a coastal town, likely Portofino in Italy. The town is built into a steep, lush green hillside. A winding road with a white car is visible on the right side of the hill. The harbor is filled with numerous sailboats and yachts. The water is a vibrant blue-green. In the background, a church with a tall bell tower is visible on the hillside. The word "October" is written in a large, white, cursive font across the top of the image.
