MAKE FABULOUS FAMILY MEMORIES IN TAORMINA MARE

Fun beside the sea awaits guests of all ages at Villa Sant'Andrea. Little visitors will discover an exciting playground in our lush gardens, on our private beach and in the hotel's hidden corners. Endless thrills are on offer at our Smile Club, or venture further afield to discover unique Sicilian activities. These range from boat rides to butterflies and walking with alpacas on Mount Etna.

IT'S CALLED SMILE CLUB FOR A REASON!

Little faces beam in our play area next to the lobby, where children aged 4 to 12 are looked after by an English-speaking supervisor. The club is home to untold delights, including a toy kitchen, train tracks, dolls, an Xbox 360, children's DVDs and more

OTHER ACTIVITIES INCLUDE:

- open-air games
- painting
- beach bag and seashell decorating
- beaded jewellery making

- parachute games and live Game of the Goose

For an additional fee, enjoy cooking classes, pizza making and cupcake embellishing with our Chef

On the private beach, buckets & spades, diving masks, fins and snorkels are available for young explorers.

Smile Club is open Wed-Mon, 10:30-18:00 from May to October.

AND THAT'S NOT ALL...

From the sun-splashed beauty of the coastline to the awe-inspiring terrain of Mount Etna, wild adventures are around every corner. Among the many experiences we can arrange, we recommend:

- boat excursions to explore the sparkling sea and bay
 - visiting a local biofarm surrounded by nature and animals
 - entering the Butterfly House for fluttering fascination
 - climbing and ziplining in an adventure park near Mount Etna
 - striding through Etna's otherworldly landscapes in the company of alpacas
 - lending your ears to the House of Music, an acoustic journey through musical and astronomical history
- ...and much, much more!
